

Committee Bio – Marie Kelly

Marie Kelly is a valuable member of our MLK Day Committee and a dedicated Milford local. After seeing a flyer for an event, hosted by HVMLK, about race relations in 2021, Marie promptly reached out to the committee and joined the team shortly after. Her commitment to MLK Day of service is palpable, as she vividly recounts the impactful Meal Drive from last year, where the community, representing diverse backgrounds, united for a common purpose.

Marie contributes to the committee by channeling her skills into creating flyers, writing social media posts, and designing marketing materials. Her perspective on the importance of celebrating MLK Day aligns with the committee's goal of fostering equality, justice, and understanding. She sees it as a crucial reminder of the ongoing work needed in the community and our country.

Looking forward, Marie is enthusiastic about the 20th Anniversary celebration next year, viewing it as a testament to the enduring commitment of both the committee and the community to embody Dr. Martin Luther King Jr.'s dream.

Marie's involvement with the MLK Day Committee has instilled in her a sense of empowerment to sustain impactful initiatives and bring enriching events to the community. Driven by the teachings of Dr. King, Marie aspires for the committee's reach to expand, embracing not only the local community but extending its impact to encompass all communities in the surrounding area. In her eyes, the committee serves as a beacon of unity, embodying the enduring power of shared commitment to Dr. King's dream.
